The Tack Room

Opened in June 2006, The Stables at Brasstown Valley Resort establishes the property as the only full-service resort and conference hotel in the North Georgia Mountains to offer guests a horseback trail-riding experience and a truly unique meeting venue.

- **The Tack Room** - A multi-purpose lounge area, featuring a 32-foot high x 10-foot wide, stacked-stone fireplace and comfortable western themed furnishings. This area is an inviting meeting space for smaller corporate retreats and other organized-group activities. Featuring High Speed Internet and WiFi connectivity and a full range of audio visual equipment available through our in house A/V Team.
- **A center foyer area** - A two-story, entrance area designed to stay open at all times, which provides guests with an immediate, extended view of the stables as they walk into the Welcome Center facility; the foyer's expansive ceiling is octagonal in shape, providing visitors with a striking and memorable first impression of the Stables experience.
- **Front and rear porch areas** - Two spacious porches lined with rocking chairs, which will provide guests with welcomed simplicity and comfort in the rustic surroundings of the horse-riding experience. Sitting on the rear porch, non-riding guests can watch riders mount and dismount their horses as well as enjoy the views of the scenic Stables setting.
